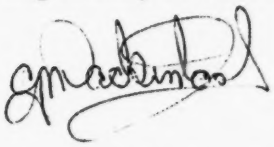
PHONE (306) 922-8333 or FAX (306) 922-8815

To The Honourable Graham Addley
Minister of Healthy Living

Dear Mr. G. Addley:

It is my honour to present, on behalf of the St. Louis Board of Governors, the Annual Report and audited financial statements for the fiscal year ended March 31, 2006.

Respectfully Submitted,



Christopher Mackintosh,
Chairperson.

106-07092/

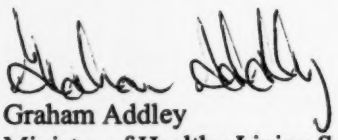
July 2006

To The Honourable Lynda Haverstock
Lieutenant Governor of Saskatchewan

May it Please Your Honour:

It is my pleasure to present herewith the Annual Report of the Board of Governors, St. Louis Alcoholism Rehabilitation Centre, for the year ended March 31, 2006.

Respectfully submitted,



Graham Addley
Minister of Healthy Living Services

BOARD OF GOVERNORS

Christopher Mackintosh, Chairperson

Shelley Belhumeur, Vice-Chairperson

Linda Greyeyes	Stanford Dignean	Robert McMahon
Keith Thorsteinson	Carol Fiedelleck	

CHAIRPERSON'S STATEMENT

The last year has again been related to change. The facility changed location and is now housed in Prince Albert Saskatchewan.

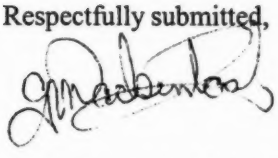
The clinical staff along with the Director have reviewed the program and enhanced the content to maintain consistency with current trends and best practices.

A settlement was reached in contract negotiations and the Director presented the attributes of the Impaired Driver Treatment Program to Mental Health, Correctional and Addiction agencies throughout the province.

This busy year has now drawn to a close and the Board of Governors, Directors and staff believe that a period of settling will be welcomed.

We proudly submit our year end statement for your review.

Respectfully submitted,



Christopher Mackintosh, Chairperson,
St. Louis Board of Governors.

HISTORY AND BACKGROUND

In 1975 the final report of the Special Committee on Highway traffic Safety was submitted to the Legislative Assembly. The report dealt with wide ranging issues of highway traffic safety, and among other things, recommended alternate sentencing options for persons convicted of impaired driving. In late 1976, the Saskatchewan Alcohol and Drug Abuse Commission and the Corrections Branch of the Department of Social Services (subsequently transferred to the Department of Justice) proposed an Impaired Driver Treatment Program aimed at repeat offenders. Provision was made in the 1977/78 budget to allow detailed planning to proceed for an in-patient treatment centre to function as an alternative to incarceration of repeat offenders. One of the goals of this treatment centre was to provide early intervention for those people who were alcohol dependent. The Prince Albert Council on Alcohol and Drug Abuse concurrently advised Government of the availability of the former Notre Dame College in St. Louis as a proposed sight for this program.

The St. Louis Board of Governors was appointed by the Minister of Health in early 1979, with a mandate to "operate an alcoholism rehabilitation hospital at St. Louis, Saskatchewan".

Funds were provided to renovate the building to a thirty bed capacity, and positions were allocated to the Department of Justice to provide screening and referral services and to the Saskatchewan Alcohol and Drug Abuse Commission for follow-up services to clients and their families. Staff were hired and trained for the St. Louis Alcoholism Rehabilitation Centre in late 1979 and its first clients were admitted in January of 1980.

LEGISLATIVE AUTHORITY

Under authority of the Public Health Act, the Board of Governors of the St. Louis Alcoholism Rehabilitation Centre was established by Order-in Council 165/79 of February 1, 1979.

The Centre is designated as a Correctional Facility by Order of the Minister of Justice pursuant to Section 20 of the Corrections Act.

FUNDING

The Centre is funded by Saskatchewan Health. Its operating funding received in the 2005/06 fiscal year was $793,132. Actual expenditure was $804,687. Cost per client day was $130.46.

STAFFING

The St. Louis Centre has a staff compliment of 10 full-time, 5 permanent part-time and 6 casual positions.

It operates with a Director, a Manager: Administration & Operations, 4 full-time Addiction Counsellors, 2 full-time Attendants, 4 part-time and 5 casual Attendants, 1 full-time and 1 part-time kitchen staff, 1 full-time janitorial staff and 1 casual janitorial worker.

The Director of the Centre reports to the Chairperson of the Board.

VISION

To provide a professional and effective response to the community by contributing to public safety and healthy attitudes toward substance use.

PROGRAM OBJECTIVES

1. To provide a caring, healthy, supportive environment where the change process is initiated and/or continued.

2. To provide effective, research-based, skills-based intervention that is shown to reduce risk to drink and drive.

3. To assist in increasing motivation to change substance abuse behaviour.

4. To facilitate change through group process using guided learning methods as well as adult learning principles.

5. To maintain positive public relations and coordination with other agencies.

6. To provide educational and therapeutic information and materials for clients and the general public.

PROGRAM

During the 2005/06 fiscal year, 6168 days of care were provided to 463 clients.

Clients are referred to the Centre by referral and placement co-ordinators from the Department of Corrections and Public Safety. These co-ordinators, located in Prince Albert, Saskatoon and Regina, identify offenders who could potentially benefit from the program and make a recommendation to the Court. They assess clients for previous drinking related charges and any history of violence or escape. They further insure that the primary cause for incarceration is a charge under Section 253 - Impaired Driving, 253b - Driving Over .08, 254 - Refusing a breathalyser, 255 - Impaired Penalty or 263 - Disqualified Driving (as a result of impairment) of the Criminal Code.

An extended criteria clause also permits inmates to be referred to the St. Louis Alcoholism Rehabilitation Centre from other Provincial Correctional Centres. The inmates must have alcohol or other drug related charges as well as prior impaired driving convictions.

The St. Louis Program is presented over a fourteen day period and is designed to screen clients for severities of substance abuse problems, provide education related to positive choices and skills to maintain changes. Extensive reference is made to the relationship between drinking and driving, with two and one half days devoted exclusively to the Driving Without Impairment Program (D.W.I.).

The entire program is reviewed regularly to maintain currency with new information and techniques.

Upon completion of the residential portion of the Impaired Driver Treatment Program, clients are discharged to participate in a six month follow-up program supervised by staff from Alcohol and Drug Services.

REPORT OF MANAGEMENT

Management is responsible for the integrity of the financial information reported by the St. Louis Alcoholism Rehabilitation Centre. Fulfilling this responsibility requires the preparation and presentation of financial statements and other financial information in accordance with the Canadian Generally Accepted Accounting Principles, which are consistently applied, with any exceptions specifically described in the financial statements.

The accounting systems used by the Centre include an appropriate system of internal controls to provide reasonable assurance that:

- transactions are authorized;
- the St. Louis Centre's assets are protected from loss and unauthorized use; and
- the accounts are properly kept and financial reports are properly monitored to ensure reliable information is provided for preparation of financial statements and other financial information.

Management of the St. Louis Alcoholism Rehabilitation Centre is responsible for financial reporting and internal control. The St. Louis Board of Governors has also reviewed the financial statements with representatives of management.

The Provincial Auditor Saskatchewan has audited the St. Louis Alcoholism Rehabilitation Centre's statement of financial position as at March 31, 2006 and the related statements of operations, cash flows and changes in net assets for the year then ended. Their responsibility is to express an opinion on the fairness of management's financial statements. The Auditor's report outlines the scope of their audit and their opinion.

AUDITOR'S REPORT

To the Members of the Legislative Assembly of Saskatchewan

I have audited the statement of financial position of the St. Louis Alcoholism Rehabilitation Centre Inc. as at March 31, 2006 and the statements of operations, cash flows, and changes in net assets for the year then ended. The Centre's management is responsible for preparing these financial statements for Treasury Board's approval. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the St. Louis Alcoholism Rehabilitation Centre Inc. as at March 31, 2006 and the results of its operations, cash flows and changes in net assets for the year then ended in accordance with Canadian generally accepted accounting principles.

Regina, Saskatchewan

(See accompanying notes to the financial statements)

ST. LOUIS ALCOHOLISM REHABILITATION CENTRE INC.
NOTES TO THE FINANCIAL STATEMENTS
March 31, 2006

1. Authority

Pursuant to Section 85 of *The Public Health Act*, a board of governors was established on February 1, 1979 to operate an alcoholism rehabilitation hospital to be known as the St. Louis Alcoholism Rehabilitation Centre Inc. (the Centre). The Centre commenced operations on October 1, 1979. The current board was appointed by Order in Council 597/03.

2. Significant Accounting Policies

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles and include the following significant accounting policies:

a) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Actual results could differ from these estimates.

b) Property, Plant and Equipment

Property, plant and equipment are recorded at cost. Normal maintenance and repairs are expensed as incurred. Capital assets are amortized on a straight-line basis over their estimated useful lives (3 to 20 years). Assets costing less than $200 are expensed in the current year.

c) Revenue

Revenue includes contributions from General Revenue Fund - Saskatchewan Health. Amounts are included in revenue in the year in which they are received or receivable.

3. Commitments

Operating Lease

The Centre has signed an agreement for the lease of land and buildings for an annual cost in the amount of $40,000 plus applicable taxes. The agreement was effective November 1, 2005 and expires October 31, 2010.

4. Net Assets

a) Unrestricted Net Assets

This represents advances received from Saskatchewan Health (a related party) and is reduced by: amounts required to pay expenses and amounts recovered by Saskatchewan Health as set out by the Health Reserve Policy and Financial Reporting Guide.

b) Restricted for Equipment and Furnishing Reserve

The Saskatchewan Health Reserve Policy and Financial Reporting Guide allows the Centre to annually retain a surplus from operations to a maximum of $20,000 provided the amounts are transferred to the Equipment and Furnishing Reserve. The maximum of $20,000 may be exceeded with approval from Saskatchewan Health.

c) Restricted for General Reserve

The Saskatchewan Health Reserve Policy and Financial Reporting Guide allows the Centre to segregate all funds received from donations and fund raising activities. In 2005/06 NIL was transferred into this reserve. For the year 2004/05 $6,430 from fund raising activities was transferred into the General Reserve by board resolution.

5. Property, Plant and Equipment

	2006			2005		
	Cost	Accumulated Amortization	Net Book Value	Cost	Accumulated Amortization	Net Book Value
Furniture & equipment	$ 116,672	$ 86,129	$ 30,543	$ 133,661	$ 97,090	$ 36,571
Leasehold improvements	5,910	1,182	4,728	—	—	—
	$ 122,582	$ 87,311	$ 35,271	$ 133,661	$ 97,090	$ 36,571

6. Financial Instruments

Financial instruments consist of:

Cash
Accounts receivable
Accounts payable
Bank indebtedness

- there are no significant terms and conditions related to the financial instruments that may affect the amount, timing and certainty of future cash flows, therefore the Centre does not face interest rate risk.

- the Centre is exposed to minimal credit risk as most of the Centre's receivables are from provincial and federal governments.
- the carrying values of the financial instruments approximate their fair value due to their immediate or short-term nature.

7. Related Party Transactions

Included in these financial statements are payment transactions with various Saskatchewan Crown corporations, departments, agencies, boards and commissions related to the Centre by virtue of common control by the Government of Saskatchewan and non-Crown corporations and enterprises subject to joint control and significant influence by the Government of Saskatchewan (collectively referred to as "related parties").

The Centre's related party transactions are in the normal course of operations. These transactions are recorded at exchange amounts agreed to by the related parties and amount to $102,574 (2005 - $114,302) for the year ended March 31, 2006.

8. Pension Plan

The Centre participates in the Public Employees Pension Plan which is a defined contribution plan. The Centre's financial obligation to the Plan is limited to making regular payments to match the amounts contributed by employees for current service. The Centre's pension expense for 2006 amounts to $24,146 (2005 - $23,981) and is included in salaries and employee benefits.

9. Budget

These amounts represent the budget approved by the Centre's Board of Governors.
